

General Chairs

Shuguang Cui
UC Davis

Hamid Jafarkhani
UC Irvine

Technical Program Chairs

Dinei Florencio
Microsoft Corporation

Amy Reibman
Purdue University

Lee Swindlehurst
UC Irvine

Finance Chair

Yindi Jing
University of Alberta

Local Arrangements Chair

Ahmed Eltawil
UC Irvine

Publications Chair

Yuejie Chi
Ohio State University

Publicity Chairs

Jonathon Manton
University of Melbourne

Zhi Quan
Shenzhen University

Sergios Theodoridis
University of Athens

Call for Papers

The 6th IEEE Global Conference on Signal and Information Processing (GlobalSIP) will be held at the Disneyland Hotel in Anaheim, CA, on November 26-28, 2018. GlobalSIP focuses on signal and information processing with an emphasis on up-and-coming signal processing themes. The conference features world-class plenary speeches, distinguished symposium talks, tutorials, exhibits, oral and poster sessions, and panels. GlobalSIP is comprised of co-located General Symposium and symposia selected based on responses to the call-for-symposia proposals. Featured symposia include:

- SP for Adversarial Machine Learning
- Deep Learning for Wireless Comm.
- Distributed Learning and Optimization over Networks
- Graph Signal Processing
- Green Comm. and Networking
- SP for Intelligent Vehicular Comm.
- Multispectral & Hyperspectral Imaging and Analysis
- Tensor Methods for SP and Machine Learning
- Advanced Bio-SP and Machine Learning for Medical CPS
- SP for Millimeter-Wave Comm.
- 5G Satellite Networks: SP Applications and Challenges
- Signal Detection for SETI & RFI Mitigation in Radio Astronomy
- Information Processing, Learning and Optimization for Smart Energy Infrastructures
- SP for Wireless Network Security

Conference Highlights

- Conference-wide Plenary Talks and Distinguished Lectures for all Symposia
- Industry Program: Paperless industry presentations, demos, exhibitions
- Student focus: Student-industry interaction, 3-minute thesis competition
- Tutorials on emerging hot topics
- Great family destination, Disneyland, beaches, California climate

Paper Submission: Prospective authors are invited to submit full-length papers (up to 4 pages for technical content including figures and possible references, and with one additional optional 5th page containing only references) and extended abstracts (up to 2 pages, for paper-less industry presentations and Ongoing Work presentations) via the GlobalSIP 2018 conference website. Manuscripts should be original (not submitted/published anywhere else) and written in accordance with the standard IEEE double-column paper template. The accepted abstracts will not be indexed in IEEE Xplore, however the abstracts and/or the presentations will be included in the IEEE SPS SigPort. Accepted papers and abstracts will be scheduled in lecture and poster sessions.

Important Dates:

- **June 17, 2018:** Paper submissions due
- **Aug. 7, 2018:** Notification of Acceptance
- **Aug. 22, 2018:** Camera-ready paper due.
